Dear Bob:

RE: Final Speciation and Bioavailability Reports for the Herculaneum Lead
Smelter Site

Please find enclosed final copies of the subject documents. They have been redacted so that they can be released to the public without the inclusion of private information on residential properties at the site.

I can be reached at 913-551-7755 if you have questions concerning these reports.

Sincerely,

Bruce A. Morrison
Project Manager
